

Cordell Christian Home's Resident's RDigest

By Nicole Allen

If you come down to the Cordell Christian Home, it will be obvious to you that Fall is here and Halloween is on the way. The CCH Activity Team just got finished putting up some wonderful Fall decorations and our monthly bulletin board has a spooky Halloween theme.

Our residents and staff have a great time during this time of the year. The weather is perfect for a stroll outside and it is one of the most wonderful times to sit outside and watch the trees turn that beautiful red and orange color.

In addition to the wonderful changes that Fall brings, we also get to look forward to our Halloween celebration at the end of the month! Residents and staff will be dressed up in their Halloween costumes, guest children singers will come to entertain us, there will be a costume contest, and best of all, we will get to see all of the kids in their cute costumes when they come by to trick-or-treat!

October is one of our favorite months here at the Cordell Christian Home and it is obvious. So, make sure to have Halloween Day cleared on your schedule because you don't want to miss all of the crazy costumes that our residents and staff will come up with. This month is going to be so fun it's "scary"!
