

Cordell Christian Home's Resident's Digest

By Nicole Allen

Next Thursday, August 27th, is going to be an exciting day for our gung-ho Bingo players! It is Area Wide Bingo day! CCH Bingo players look forward to this day every month and this one is no exception. This month's Area Wide Bingo Game will be held at the Grace Living Center in Clinton. The game will start at 2:00pm and residents from several surrounding nursing homes will be there.

Although Clinton isn't a far drive, our residents love to get out and take little field trips. Getting to see the scenery and have a fun day out of town is a very enjoyable and nice break. Many have also made friends at the various Area Wide Bingo Games which makes the trips even more exciting and worthwhile!

Our residents have been practicing a lot on Tuesdays, Thursdays, and Fridays during CCH Bingo. They have been working on their "BINGO" voices and getting pumped up for the competition. The CCH Bingo players have had a pretty good winning streak for 2009 and they hope to continue their luck at the Grace Living Center. Good luck next Thursday, CCH! We know you'll come home with a big win and lots of prizes!
