Another Month Gone By

August has zoomed by and we are ready for another month, especially because September brings new activities and a change of season! August was fun but September offers so many more holidays and activities! Plus, we will start to get rid of that hot sun and see the trees transform for Fall!

Cordell Christian Home activity members were so excited when they drew up the calendar for the month of September! There is going to be a Resident's Yard Sale on the 1st, carnival on the 3rd, Labor Day on the 5th, Patriot Day on the 11th, Autumn will begin on the 22nd, Area Wide Bingo on the 24th, and the Birthday Celebration on the 25th! This month is going to be overflowing with fun and we can't wait!

Fall is the favorite season for many, which is why it stirs up so much excitement. The weather is not too hot or too cold and the trees start to transform and turn beautiful colors. Autumn brings a smile to people's faces and warms the heart.

We have a great month planned ahead of us. We hope that you get to come out and enjoy all of the activities and sights during the month!

Gordon's Garden

Gordon's garden's started growing unexpected things, and though it sounds unusual they all have beaks and wings.

His garden grew a hummingbird, a heron, and a hawk, a pelican, a parakeet, a pigeon, and an auk.

It grew a cuckoo and a crow, an ostrich and an owl, an eagle and an egret and assorted other fowl.

A mockingbird, an oriole, a chicken and a duck.

It's fun to watch his garden grow, and chirp, and flap, and cluck.

It turns out growing gardens full of birds is not so hard, and Gordon got his crop by planting birdseed in the yard.

Weekly Devotional

Concentrate on God's Love

Therefore, get rid of all moral filth and the evil that is so prevalent and humbly accept the word planted in you, which can save you.

James 1:21

Do not give in to sin; even those sins that appear to make life easier are deceptions of Satan. He will tempt you forever but concentrate on God's love and evil can never win you over.
