IN HOME JOURNAL

The first month of 2009 has past and although January was a very fun and exciting month, we are all happy that February is here! February is going to be filled with the celebration of love, life and (of course) football!

We started the month off right here at the Cordell Christian Home. On the 1st we all sat in the lobby and watched the biggest game of the year, the Super Bowl! There were pops, junk food, and plenty of yelling from die-hard Cardinals and Steelers fans. We had all the ingredients to make a great football party!

Around the 14th we will all have to change our tough football fan attitudes into sweet and loving actions. We will be having our CCH Valentine's Day party on the 13th. Two very lucky people will be named Valentine's Day King and Queen and they will get recognition fit for royalty!

The Super Bowl Party and the Valentine's Day Party might be the biggest events of the month but that is not the only fun we are going to have in February. The CCH activity team has put a few new activities together for us to try out this month! So look for these new activities on the calendar: Let's Talk, Sing Along, What are you Thinking?, Pump it Up, CCH Social Club, Where Were You?, You Can Do It, What Would You Do?, Be My Sweetheart, If I could, Dear Miss CCH, Touch Your Toes, Back in the Day, Girl Stories, Make My Day, Touch Your Nose, Boy Stories, and Moovin' and Groovin.

We hope to see some new faces at our parties and activities this month because if there is one thing we know how to do right at CCH it is-HAVE FUN! So we hope that you will join us!

Guess What!

- ♥ *I can be red, yellow, pink, or white.*
- ♥ *You will see me a lot this month.*
- ♥ *I might be beautiful but I can hurt you if you touch me.*
- ♥ *When I am red I symbolize love.*
- ♥ *When I am yellow I symbolize friendship.*
- ♥ *I am usually delivered by the dozen.*
- ♥ *You are sure to get a big kiss when you deliver me to your sweetie!*

Angelica the Beautiful
By
Bruce Lansky

**(Sing to the tune of
"America the
Beautiful")**

**Angelica's so
beautiful,
her teeth are pearly
white.
And when she smiles, I
turn to mush.
She's such a stunning
sight.
It's true I have a
crush on her,
of that there is no
doubt.
That's why I tease
her every day—
so no one will find
out.**

**One day when we
walked home from
school,
she slipped her hand in
mine.
I thought that she
was sending me,
a clear romantic sign.
I smiled and gave her
cheek a kiss,
to prove my love was
true.
That's when she gave
my face a slap.
So now it's black-and-
blue.**
