

Resident's Digest

IN HOME JOURNAL

On Thursday, July 16th, Wanda from Faith Hospice visited the Cordell Christian Home to make butter with our residents and staff. She brought 3 jars and a carton of whipping cream and our very own residents churned and shook until butter was made.

It was hard work but it was worth it! The butter turned out wonderful and residents and staff ate it atop Amish friendship bread. Everyone was going back for seconds and thirds because it was so delicious!

Thank you to all of those who participated in the butter making class and to Faith Hospice for coming and teaching the class and bringing the supplies. The great taste inspired us all to make our own butter from now on!

Opps!

Three coffee cups my mother loved
lie shattered on the floor.
Three ripe tomatoes splattered
when they hit the kitchen door.

Three jumbo eggs are scrambled.
But they're not on a plate.
Three loaves of bread are crumbled.
I'll use the crumbs for bait.

Three Barbie dolls have lost their heads.
Three pepper mills are smashed.
Three goldfish died while doing flips.
Three model airplanes crashed.

Three lettuce heads unraveled.
Three onions came unpeeled.
My parents didn't know who did it
till my sister squealed.

My parents are befuddled.
They think that I've gone nuts.
But there's a simpler explanation:
I'm a juggling klutz.

Weekly Devotional

Don't Be Selfish

Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up.

Galatians 6:9

Don't be selfish and stop giving because you don't get something in return. In the end you will receive thanks from God for your good doings. This is enough.
