

Cordell Christian Home's Resident's Digest

By Nicole Allen

A new and very hot month has begun. June zoomed by and now we are all wishing it would come back with cooler temperatures. Residents and staff are not enjoying the heat that Summer has brought but our Activity Director, Ronda Allen, has piled together some new and exciting activities for the month to distract everyone from the dry and miserable heat outside.

On the 21st we are going to have Balloon Pop, Toss Ball on the 28th, and Art Class on the 30th! In addition to these new activities Judy Walton is coming from Faith Hospice on the 16th to help us make our own butter! Judy has been to the Cordell Christian Home before with her antique hat collection and carnival games and we always have a great time when she is here. We are always open to new things at the CCH and these new activities are going to be so much fun to try out!

You can also find the full monthly calendars on the Cordell Christian Home's website. Simply go to www.cordellchristianhome.org, click on Activities and choose from either Monthly Residential Activities or Monthly Alzheimer's Activities.

If you see any that you would like to attend, we encourage you to come down and join us! We have tons of fun here at CCH and our residents and staff would love your company!
