

Cordell Christian Home's Resident's RDigest

By Nicole Allen

Have you ever wondered where the Irish Leprechaun's rainbow and hidden pot of gold could be found? Well, we have figured it out here at the Cordell Christian Home and it is sitting in our lobby! That's right! Our little leprechaun and activity aid, Marjie Ediger, has set out the famous rainbow and pot of gold to get us ready for St. Patrick's Day and all of the CCH fun that is going to come with it!

The CCH activity team, Rita Beach, Marjie Ediger, Gwen Edler, Vona Hicks, Lola Parker, and Judy Tome, have been continually working to make CCH very Irish and festive looking. There are decorations in the kitchen, lobby, sunroom, up and down the halls, and also on the special care unit. Everywhere you look, you can see green!

On Thursday, March 5th, residents also got into the Irish spirit and made some very beautiful St. Patrick's Day cards that they sent off to their loved ones. The cards had four leaf clovers, glitter, and other green decorations on them. Some residents who participated in the Arts & Crafts were Betty Arter, Betty Brooks, Dorothy Cooper, Frieda Hines, Juanita Hoefar, Maria Medrano, Norma Stewart, and Judy Winn. These ladies did a wonderful job and were creative. We thank them for joining in on the St. Patrick's Day spirit!

On the 17th, we are *really* going to celebrate St. Patrick's Day. The Cordell Christian Home has never had a St. Patrick's Day Party before but we are always up for something new so we are going to have one for our residents next Tuesday at 1:30! Exactly what is in store for the party has been kept secret but rumor has it that there will be Irish food and some awesome Irish games! Residents and staff can't wait to find out what exciting things will happen on the 17th!

Cordell Christian Home's leprechauns have only left their pot of gold here for a limited amount of time. They stated that they will be taking their gold back home to Ireland with them after this month so you better come down quick so you can look at the famous rainbow! We would also love to have you come and join the CCH staff, residents, and leprechauns for the festivities on the 17th. Just remember, where green or you *will* get pinched. Hope to see you then!
