

Cordell Christian Home's Resident's Digest

By Nicole Allen

Beginning on April 1st the Cordell Christian Home is going to be doing something a little different in the Resident's Digest Beacon article. For 12 weeks we are going to take the community behind the scenes of CCH. We will show you the journey that the Cordell Christian Home has been through from 1962 to the present. These 12 articles will give everyone a new understanding, appreciation, and love for CCH's residents, staff, and history.

The first 6 weeks of articles will be focused on the opening of the Cordell Christian Home and the great people that keep the place running smoothly. You will discover how the Cordell Christian Home came to be and the obstacles that it had to overcome. The second half of the 6 weeks will be focused on CCH presently and in the future. We will take a deeper look into the new building project and the great things that it will do for our residents, staff, and community. By the end of the 12 weeks we hope that you will be just as eager about the future of the Cordell Christian Home as us!

From April 1st to June 17th the Resident's Digest article will not have updated activities and happenings. However, you can get a Resident's Digest Journal at the Cordell Christian Home's front desk throughout the week. Updated journals, articles, photos, and activity calendars are also available on the newly designed CCH website. Just go to www.cordellchristianhome.org and you can have access to everything CCH related!

Cordell Christian Home has made it a long way since its opening in 1962 but one thing has stayed the same; CCH employees and residents are a family. We love each other and care for each other as we did in 1962. Employees are taught to give the same care and compassion to residents as if technology and the times have not changed because nothing can take the place of the human touch and a caring heart. Many years of hard work and dedication has brought CCH to this wonderful point and we can't wait to tell everyone the story of how we got here. So, make sure to be paying attention to the Cordell Christian Home article. Who knows, you may learn something new!
