

Cordell Christian Home's Resident's Digest

By Nicole Allen

The last week of October was very busy at the Cordell Christian home but it sure was fun! Residents and staff got to enjoy gospel singers, young musical talents, and costumes galore. It was a great way to end October and begin November.

On October 28th, the Gossen Sisters blessed us with their presence. They did a wonderful job at singing songs from the hymnal and playing piano. They got our residents and staff so excited that everyone in the lobby was singing along! It was wonderful hearing CCH filled with such beautiful music.

Our residents and staff were all smiles again on the 30th when children came to sing. The children were all dressed in cowboy and cowgirl costumes and sang western songs. They were very cute and did so well that we were all astounded! Residents had smiles on their faces for the rest of the day after their performance. We can't wait until they come back to serenade us again!

On the 30th and the 31st, Cordell Christian Home employees celebrated Halloween by dressing up and giving our residents a good laugh. We had clowns, super women, cartoon characters, pumpkins, princesses, and many other original costumes. It was wonderful seeing CCH residents and staff having so much fun during Halloween.

We can't believe November is already here but it is going to be another fun and exciting month. Veteran's day and Thanksgiving is on the way and we have many activities and events planned. Check on our website, www.cordellchristianhome.org, to check the new November activity calendars. We hope to see you soon!
