

Cordell Christian Home's Resident's Digest

By Nicole Allen

It is the week that Cordell Christian Home residents and employees have been waiting for! It's Halloween week! It's the time of the year when we can dress up, eat candy, and be silly! We always have a lot of fun at CCH during Halloween and there are several activities this month to make it extra special.

Today we will start off the fun with some entertainment. The musical group, The Gossen Sisters, will be gracing us with their talents at 9:30am. The Gossen Sisters will be singing gospel music. Our residents and staff can't wait for the live musical entertainment.

Then this Friday and Saturday is when we all really get to be goofy! Residents and staff get to dress in Halloween costumes! They can be a witch, dog, pumpkin, or even a hillbilly! Their possibilities are endless and everyone always comes up with some very original costumes! There will also be a costume contest on Friday afternoon and it will be very interesting to see who wins this year.

Also on Friday, CCH residents and employees get to enjoy some more musical entertainment. School kids will be coming to the Cordell Christian Home at 9:00 that morning to put on a special program for us. We are always so excited to see what the children come up with. The children's charm always makes our residents smile and they are always very excited to see their performance.

The week of Halloween is always a blast at the Cordell Christian Home. We get to be silly and have a great time entertaining and being entertained! We hope that everyone gets to be part of this Halloween week's activities. It's all going to be so fun, it's scary!
