

Cordell Christian Home's Resident's Digest

By Nicole Allen

Another month has passed and we all had a great time at the Cordell Christian Home but we are ready for October! The days are getting cooler and fall has made it clear that it is here to stay until winter takes over. With the new weather and the new activities to come, we are all getting into the fall spirit!

At the Cordell Christian Home we know how to have fun and this month is going to be full of exciting activities and events! In addition to the calendar holidays: Columbus Day, National Boss Day, United Nations Day, and Halloween; the City of Cordell will be having its annual Pumpkin Festival on the 10th and CCH will be having Faith Hospice Bingo on the 5th, the Birthday Celebration on the 16th, Chili Cook-off on the 23rd, a special singing act on the 28th, and Singing School Children and CCH Halloween dress-up day on the 30th! October is going to be busy but it sure will be fun!

October is one of the best times to come and visit CCH! You will see Halloween decorations and residents and employees dressed up for the spooky season! There will also be a lot of exciting Halloween activities throughout the month. So don't miss out! It is going to be so fun, it's *SCARY*!
